IMMUNIZATION REQUIREMENTS

All students entering Our Lady of Guadalupe Catholic School must have current immunizations according to State law and/or Diocesan policy.

Immunization requirements for students entering the 3 year old program are different than those for students who have already had their 4th birthday. Below are the immunization requirements for each age group:

Tuberculin – All new students have to receive a **PPD** (Mantoux) intracutaneous test for tuberculosis before entering the school. (Tine testing will not be accepted.) This test is to be done no later than August 1st of the current year. If there is a positive reaction of 10mm or more of induration, a chest x-ray is required. A report of the results signed by a health professional will be required. **For returning students**, a new TB Questionnaire must be completed by parents.

Immunization	3 Year Old	4 Years Old and older
Polio (IVP)	3 doses	3 or 4 doses with one dose after the 4 th birthday
DPaT-DPT-Td	4 doses	4 or 5 doses with one dose after the 4 th birthday
Measles, Mumps, Rubella (MMR)	1 dose received on or after 1 st birthday	2 doses
Hib	Complete series	N/A
Hepatitis B	3 doses	3 doses
Hepatitis A	1 dose received on or after 1 st birthday	2 doses
Varicella	1 dose received on or after 1 st birthday	2 doses
Prevnar	Complete series	N/A

PLEASE NOTE: Students who are not up-to-date by the above schedule must be cleared by the nurse prior to enrollment.
